*verse 1:*

Greater is the one who came  
When word and flesh became the same  
And walked among the lowly likes of men  
Greater is the Son of man  
Who healed the blind and raised the dead  
And gave His life for me so I can live  
And gave His life for me so I can live

*chorus:*

Jesus is greater, Jesus is greater  
Hallelujah we are saved  
The grave is beaten, He has conquered  
Christ has won the victory  
Hallelujah, greater is He

*verse 2:*

Greater is the one who died  
To give us everlasting life  
He bore our sin and left it in grave  
Greater is the Risen One  
Who was and is and is to come  
We declare the greatness of Your name  
We declare the greatness of Your name

*bridge:*

Fear has no place  
The hands of God are holding everything  
Whom shall I fear when You're with me  
Greater is He
