Key of B

*verse:*

**B** **F#/A#**  
Oh come and see the One who has spoken  
**G#m7** **E**  
All you broken and hopeless, come find rest in His grace  
**B** **F#/A#**  
Oh come before the saving One  
**G#m7** **E**  
Who calls us daughters and sons, oh call upon His name

*chorus:*

**E** **B** **F#**  
Come and see what He has done  
**E** **B** **F#**  
By the power of His love  
**E** **B** **F#**  
That He lavished on, lavished on us  
**E** **B** **F#**  
By His wounds we've overcome  
**E** **B** **F#**  
By the power of His love  
**E** **B** **F#**  
That He lavished on, lavished on us  
**G#m7** **E** **F#**  
That He lavished on, lavished on us

*verse:*

So lay down every burden that you've found  
They don't define, you are His now,  
He is making you new  
So lift your weary head  
cause our God is good and He always forgives  
And His grace is free it will never depend on you

*bridge:*

**E** **F#**  
For the cross has spoken  
**B/D#** **E**  
Redemption over us  
**E** **F#**  
Oh the blood of Jesus  
**B/D#** **E**  
Will always be enough  
**E** **F#**  
For the grave was opened  
**B/D#** **E**  
And death is overrun  
**E**  
Praise the Lamb  
**F#sus - F# B**  
Look at what He has done

*bridge 2 ending:*

**E** **F#**  
For the grave was opened  
**B/D#** **G#m**  
And death is overrun  
**F#** **E**  
Praise the Lamb  
**F#sus - F# B**  
Look at what He has done
