1. Referring back to your time in DIY this week, what are you breathing in currently? What was your response to that time (in other words, what are you breathing out)?
2. What is a distinguishing dynamic of a discipling relationship that differs from a mentoring relationship? What should precede the invitation to discipleship?
3. On page 189 the author states that Jesus could not transfer his character, message and mission to the masses. What are the things he lists that Jesus needed in order for his character, message, and mission to be transferred to his disciples?
4. What are the core commitments people should consider if they want to be Christ-followers?
5. Look at the list of "How to Start" on page 170. Would you be ready to "start" that process in the next 60 day? Discuss why or why not.
6. What is your biggest takeaway from Transforming Discipleship?
