

Live It Out—Discovering how to love like Jesus

Read: Philippians 2:4

DAY

1

Handy Helper!

Look around for ways that you can help a friend or sibling. Things like helping clean up toys, giving them a hug if they're sad, sharing a snack, and giving them a compliment.

Later today, talk about how helping others made you feel!

KNOW that when you look out for one another, you are showing them Jesus' love!

DAY

2

Look Out!

Draw a big eye on a piece of paper. Around the eye, write or draw pictures of ways that you can look out for others today. How can you see a need and help? Color your pictures!

LOOK for ways that you can help others.

DAY

3

Good of Others

Read this week's verse, Philippians 2:4. After reading through the verse, act out ways that you can help friends this week.

For example, you can

- ➔ Pretend to help a friend who has dropped their toys
- ➔ Act like you are sharing your lunch
- ➔ Pretend to cheer up a sad friend

THANK Jesus for letting you see others.

DAY

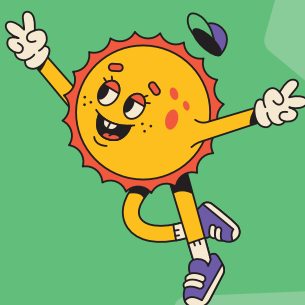

4

Show Me How

With Jesus' help, we can see how to treat others. Pray and ask Him to show you how to help.

~~~~~  
 "Dear Jesus, thank You for loving me and teaching me how to care for others. Help me to be kind, share, and help my friends and family. Show me how to look out for others every day. Amen."  
 ~~~~~

ASK Jesus to help you to always see others.

Look out for one another.
